Wind, rain, snow, ice – this slate-like shingle performs at its best when the weather is at its worst. Highland Slate is rated where the winds howl – 110 mph – and it carries a full wind-resistance warranty.

The weave, pattern and fleck of natural slate is in the essence of the character that Highland Slate brings to your roof. With six premium color blends, Highland Slate is a smooth finish to rugged protection.

Beauty. Value. Protection. And a lifetime limited transferable warranty against manufacturing defects on residential applications. Protect yourself against the elements with the old-world affordable luxury of Highland Slate.
